## A PEANUT AND HIS POOCH

If you've ever met my \_\_\_\_\_, Snoopy, then you know he's not  
your average canine companion. Some kids might find it \_\_\_\_\_  
that their beagle has such a/an \_\_\_\_\_ imagination, but not  
me! All *I've* ever wanted was a normal, \_\_\_\_\_ dog. Why can't  
I have a/an \_\_\_\_\_ just like everyone else? Instead, I've got a  
part-time pet, part-time World War I pilot, part-time \_\_\_\_\_,  
and a full-time pain! \_\_\_\_\_ grief! Sometimes he looks at me  
like I'm chopped \_\_\_\_\_—good for nothing except bringing  
his dinner out to (the) \_\_\_\_\_. Still, it sure is nice to have  
someone with really \_\_\_\_\_ ears around. And after a long day  
at (the) \_\_\_\_\_, there's nothing better than coming home to a  
wet \_\_\_\_\_ on the cheek. Aw, who am I kidding? I'm really  
lucky to have a/an \_\_\_\_\_ like Snoopy. They don't call dogs  
man's best \_\_\_\_\_ for nothing!

## BATTLE FOR THE BLUE BLANKET

Occasionally, Snoopy gets an itch that he just has to \_\_\_\_\_,  
and that means stealing Linus's \_\_\_\_\_ blue blanket. When  
Snoopy feels so inclined, he creeps up on poor, \_\_\_\_\_ Linus  
(who's usually \_\_\_\_\_ his thumb) and snatches the  
\_\_\_\_\_ right out of his hands. But Linus doesn't give up  
without a/an \_\_\_\_\_! Linus's blue blanket is his most  
prized \_\_\_\_\_, so not even a stubborn \_\_\_\_\_ can  
come between them. Linus rips the \_\_\_\_\_ out of Snoopy's  
paws, only to yowl in agony when Snoopy stomps on his  
\_\_\_\_\_. Linus is not above fighting \_\_\_\_\_,  
so he jabs Snoopy right in the sniffer—\_\_\_\_\_. Sometimes,  
Snoopy fights back by charging right at him, just like Charlie Brown  
charging to kick that ever-elusive \_\_\_\_\_-ball. If only these  
two \_\_\_\_\_ could take turns with the blanket. Don't they  
know that sharing is \_\_\_\_\_?
